Activity and Achievement

○ 2023

Bina Nusantara University

Computer Science Kemanggisan Representative

As Computer Science Kemanggisan Representative, I was able to foster effective communication, collaboration, and engagement within the department.

○ 2022-2023

SMA Sutomo 1 Medan | 12th Grade

Prom Queen

By being the Prom Queen, I successfully demonstrated excellent relationships with both teachers and friends, critical-thinking by effectively answering question in 30-second, also have strong self-confidence and the ability to speak in front of an audience.

Indonesian Debate Competition | 2nd Rank

Participated as a debater in the "Puncak Prestasi Sutomo 1", showcasing exceptional communication, critical thinking, and argumentation skills. Competed against top debaters from all class, achieving second rank with only one-point difference from the first rank.

Designer of Class

I was responsible for designing varsity and logo of class. This experience allowed me to demonstrate leadership, problem-solving, and graphic design abilities.

○ 2020-2021

SMA Sutomo 1 Medan | 10th Grade

Ng Khai Seng Memorial Scholarship

In recognition of outstanding academic achievement and exceptional performance for achieving highest grade (1st rank - parallel) from all class (natural sciences and social sciences major).

○ 2011-2020

SD-SMP Grace Garden School Kisaran

1st Rank Achievement

Certificate

- ABRSM Grade 5 music theory - passed with distinction
- Algorithm & Programming with score 98 from Mikroskil University
- Gold medal - International Science Olympiad University of North Sumatera
- Gold medal in a national-level Mathematics Olympiad and 3rd rank in Sumatera Utara province - University.id
- Gold Medal in English Language Competition - CV. Divya Cahaya Prestasi
- Top 10 Artwork from Pradita University
